Subject: Request for Project Grant Proposals for 2013-2014

BACHAO is a US-registered non-profit public charity organization based in California formed to help the underprivileged and deprived people of Bangladesh. BACHAO typically partners with other non-profit organizations in Bangladesh to provide charity services in the poor neighborhoods and villages.

Non-profit charitable organizations in Bangladesh interested in partnering with BACHAO are now requested to submit a formal application for possible funding for the 2013-2014 fiscal year. Any project that benefits the underprivileged and deprived segment of the population will be considered. Preference will be given to projects in the villages and to on-going projects that clearly have the need and the opportunity for expansion but have been unable to do so because of lack of funding.

Projects will be selected for funding based on merit, the requesting organization's credibility and its prior experience in performing similar charity work. **BACHAO funding is not available for organizations run by individuals or those organizations that do not have a track record.** BACHAO's organizational structure and project selection process are available on BACHAO's website (www.BACHAOhelp.org).

All organizations seeking funding, including those that may have received funding from BACHAO in the past, should submit their proposals using the prescribed format provided on BACHAO's website. The project proposals may be submitted through email, fax or mail. The deadline for submitting project proposal seeking funding from the BACHAO 2013-2014 funding program is May 31, 2013. The proposal must clearly delineate how BACHAO funding will be used to expand the charity work.

If you have any questions, please contact me at Saiful@BACHAOhelp.org or any of our directors listed on our website.

Sincerely yours,

BACHAO
